

Debris, including grass is not allowed to be thrown in the streets. This debris can cause blockage and flooding of storm drains. Take a look around your yard and be sure grass height is being maintained, weeds are under control, and trimming is getting done.

Downtown property owners please take a look around and see if there are weeds and debris that needs to be cleaned up. Wouldn't it be nice to have main street looking good for Farmers Appreciation!

Many of us like to have pets and in a small town we are all neighbors so please respect your neighbors by keeping pets on leashes, clean up after them, and control their barking habits.

HERITAGE SQUARE

The Historical Society invites you to stop by the Heritage Square on **Aug 6** from **8-10am** and **1-3pm**. While visiting you will have the opportunity to purchase white elephant sale items, vintage jewelry magnets, the new cookbook, and best of all homemade baked goods.
