**Freedom Rock/  
Veterans Memorial**

*To honor our  
Veterans of  
Lake Park, Dickinson  
County and  
surrounding area.*

**Bringing honor to  
those who served.**

Lake Park has been given a great honor to be the host of a "Freedom Rock" on the *Freedom Rock Tour*. With this honor, we honor our community Veterans who gave all to protect us and preserved the freedoms we enjoy.

*"What is Freedom Rock and why are we hosting one in Lake Park?"*

The original Freedom Rock is located in Adair County, just a mile south of Interstate 80 on exit #86. It is re-painted every year by Ray "Bubba" Sorensen II just in time for Memorial Day.

Bubba is a nationally known for his patriotic murals, and has been asked to go all over the country painting these murals. As he was touring the country, he thought it would be a cool tourism draw to have a "Freedom Rock" in all 99 counties in Iowa. Even though he wouldn't be able to re-paint them each year like the original, this will be one-of-a-kind statewide Veterans Memorial that will lead tourists across our state to see each rock, providing small towns with unique tourist attraction.

When Lake Park American Legion Post #371 Commander James Kessler heard about this opportunity, he asked and received permission from the Post and the

City to apply for the "Freedom Rock" in Dickinson County and the request was granted.

The Memorial honors all Veterans of the Lake Park community with the Freedom Rock honoring the Veterans of Dickinson County.

The Freedom Rock/Veterans Memorial is located just east of the Lake Park Community Center in Veterans Park; 903 South Market St.

South face of the Dickinson County Freedom Rock located 903 South Market Street.

**Freedom Rock/  
Veterans Memorial**

As you look at the aerial view of the Memorial it shows the unity between all the branch's and our veterans. Each military branch is represented by field rock set in the middle of a circle signifying that branch's activity and retired service members. All those rings intersect with the center ring around the Freedom Rock showing the unity of all those who served or are serving. The top circle, as you enter the Memorial from the south, is in honor of the families who have also sacrificed in their support of their service member.

In between the branch's rings, the engraved pavers with those honored family members are placed. As you walk into the Memorial the walkways are lined with pavers of those who wish to thank the veterans for their service by helping to sponsor the Memorial.

Also as you enter the Memorial you will see the flag of our country flanked by our state flag and the POW/MIA flag leading the way. You will also see the 5 service flags behind the Memorial protecting us from all those that threaten our freedoms.

This Memorial made of field stone signifies the strength and determination of those that have come from Dickinson County and surrounding area.

The Freedom Rock/Veterans Memorial is a lasting tribute to all those who have served our country, are currently serving our country and/or will be serving our country well into the future. Your generous contributions help us to carry out this great honor.

There are several ways you can help honor the Veterans of our great Country and

Community. All donations will be listed in our book on display at the Memorial and on our website for all to see. This book and website also contains all the names of those who have been honored with pavers in the Memorial.

Each donation is tax deductible and a letter with appropriate information will be provided upon request.

Please put Freedom Rock/Veterans Memorial in the memo line of your check as well.

*Thank you!*

*All purchase and donations are tax deductible.*
