

just a friendly reminder...

Utility bills are due on the 26th of each month. If you find yourself unable to make this payment please call Linda at **832-3667** to set up a Reasonable Pay Agreement (RPA).

This may keep you from being charged process fees due to delinquent payments.

Newsletter News

This newsletter was designed to keep the residents informed of announcements and upcoming events. If you have information you would like included in the newsletter please call or stop by City/Utility office by the 20th of the month. We welcome any suggestions you may have on what you would like to see in the newsletter.

City-wide cleanup will be held in April. Watch the April newsletter for date and more information.

BLAST FROM THE PAST

Electricity was first brought into Lake Park in 1915.

MAIN STREET FLOWER POTS

It is the time of year to put the main street flowerpots up for adoption. There are 8 flower pots located on the corners of Main Street. By adopting one of these pots, you will be responsible for not only the planting but also for its care. Plants are to be live plants not artificial. Through adoption, we hope each pot will have its own uniqueness and bring a welcoming sight to Main Street. Do not miss this chance to share your creativity, call to "adopt a pot" 832-3527 or 832-3667.

New Welcome Sign coming to Lake Park this spring/summer.

The EMS, American Legion and the Legion Auxiliary will be having Bingo at the Community Center beginning in January and lasting through March. A meal consisting of a sandwich, chips and a cookie will be served for \$5. The fun will begin at 6:30pm on the following dates.
March 11 & 25

HOW COMFORTABLE IS YOUR HOME?

Our home is our refuge. The place many of us share with the most important people in our lives, and where treasured moments occur. It's where we're comfortable.

ENERGY STAR® certified heating and cooling equipment can have a big impact on your comfort, and lower your utility bills. Ask us for details about these rebates for your home:

UTILITY INFO HERE

- Central air-conditioner: \$250 – \$450
- Air-source heat pump: \$250 – \$450
- A/C or heat pump tune-up: \$30
- Geothermal heat pump: \$200/ton
- Efficient motor in furnace or air handler: \$150
- Programmable thermostat: \$25

Details and rebate applications are available at www.brightenergysolutions.com. Apply online, or print and mail your application to us, your local municipal utility.
