

SILVER LAKE UPDATE

The Silver Lake Park Improvement Association (SLPIA) and the City of Lake Park have teamed up with DNR Lakes Restoration in hiring an engineering firm to complete a diagnostic study on Silver Lake. Once completed the results of this study will provide options and direction towards cleaning up the lake and maintaining it for many years to come. Most of the cost for this will be paid thru the DNR but a percentage will be paid by SLPIA and the City. Your membership to SLPIA can help defray some of this cost. Now would be a good time to become a member. Board members are also needed so if you have a strong interest in the lake and would like to be involved in improving and maintaining the lake consider becoming a board member.

DO YOU QUALIFY FOR HEAT ASSISTANCE?

Be sure to read the enclosed flyer to see if you qualify along with where and when you need to file.

City of Lake Park

A great place to spend a
vacation.....or a lifetime

Nov 11

(city/utility office will be closed Nov 10)

REMINDER: Residential garbage pickup will change to Friday only beginning Oct 1.

FALL OUTDOOR CLEAN-UP

As fall approaches we often turn to yard clean-up before the snow flies. Just a few reminders:

- **Landscape waste/Grass/Leaves:** **DO NOT** put this waste in the garbage bins or dumpsters. There is a drop off spot for waste located at the city shed. The disposal of waste, originating on the premises, by open burning is allowed.
- **Burning:** Burning shall only be allowed **North** of Railroad St on **even** numbered days and **South** of Railroad St. on **odd** numbered days. Recreational fires are allowed at any time.
- **Tree Trimming:** It is the responsibility of the property owner to keep trees overhanging the streets/alleys trimmed so that all branches will be at least 15ft above the street surface. Branches may be disposed of at the City Shed. Lengths no longer than 10ft would be greatly appreciated. To those of you who have taken care of this. **THANK YOU!!!**
- Weed growth above 10” on your property, **unlicensed/inoperable vehicles, appliances, mattresses, furniture and junk** are all items that need to be removed from your yard to avoid a nuisance warning. If you are unsure, call City Hall. 712-832-3527
