REQUEST FROM THE EMT'S

Please be sure that you have your house number on the front of your house. We want to be sure that we can easily find your house in case of an emergency. There are free reflective numbers at City Hall if you want them.

Would you like to join the ambulance crew?? New members are needed. A new class will begin in January. If you are interested contact Steve Hopkins at 712-330-1144. The city will pay for your training.

GARBAGE & RECYCLING

The City has a number of the orange garbage bags available. There are 10 bags to a package and they are the 15gal size. For a limited time we will be giving these away. Stop into City Hall if you would like some of these.

Just a reminder of the benefits of recycling. The more we recycle the less garbage there is going into the landfill, hence, helping the environment. Also the less garbage in the landfill keeps our garbage costs down which also keeps the cost to you down.

CHRISTMAS FUN FACT

Did you know that tinsel was once made of real silver! It was invented in Germany in 1610.

Recycle Days: Dec. 10 & 24
Jan. 7 & 21
