Utility Reminders

LPMU offers ACH payment of your utility bill. Your bill will automatically be withdrawn from your bank account on the 7th of the month. You can set this up at the utility office.

Utility bills can be paid by credit/debit card online through AllPaid on the city website. AllPaid will charge you a fee for using this service.

If your phone number has changed, please contact the utility office to have this updated. It will be easier for the office to contact you if there are issues with your utilities (leaks, outages, etc.)

If you prefer to receive your utility bill via email, call the utility office,712-832-3667 with your email address.

Furnace filters will be **unavailable** while we are in our temporary location. Once we move back, we will again have furnace filters available.

To protect your water pipes during winter, ensure your home thermostat is set above 55 degrees, insulate exposed pipes in unheated areas like basements or crawl spaces, let faucets drip slightly during extreme cold, disconnect outdoor hoses, and know where your main water shut-off valve is located in case of a frozen pipe emergency.

Temporary Move

During the City Hall/Utilities remodel, the offices will be in the meeting room at the Fire Station. We hope to move back by the 1st week of May. There is a locked dropbox installed on the front of the fire station for those who wish to use the dropbox. If you have any questions, feel free to give us a call. 712-832-3527 or 712-832-3667

Parking Ban

No parking on the street between **2:00am and 6:00am** or any time day or night when snow removal is in progress. This will remain in effect until March 31.
