Add a "PS" to help a neighbor

Some of your less fortunate neighbors have had a difficult time keeping their families warm during the cold winter months. You can help through *Project Share. Project Share* is a plan created to help needy households pay a portion of their utility bills. To participate, simply fill out the coupon and return it to Lake Park Municipal Utilities.

Reminders

Items that get flushed down the toilet can cause blockages and get tangled in pumps which then can cause backups in the sewer system. To help avoid this, here is a list of 10 things that you should never flush:

1. Bathroom wipes, diapers
2. Condoms
3. Cotton balls, swab, tampons
4. Prescription meds
5. Band-aids
6. Dental floss.
7. Paper towels
8. Fats, oil, grease
9. Cat litter
10. Socks
