City Park Renovation

This is a great opportunity to support the park project and leave a lasting memory/legacy. The bricks will be laid near the park entrance by the kiosk. Forms are available at City Hall and the city website. www.lakeparkia.com

School is back in session. Please watch for children traveling to and from school. Let's do our part to help keep these children safe.

Chief Carpenter's Corner

Here is a quick refresher on ATV/UTV/ORV laws in Iowa.

While driving on a public road:

- Cannot exceed 35mph
- The driver must be 18 or older with a valid driver's license
- Cannot drive impaired or with an open alcohol container
- Headlight(s) must be on at all times

The requirements for the vehicle are that you must have current proof of insurance. It must be registered with the Iowa DNR and the sticker displayed on the rear of the vehicle, while out-of-state vehicles must have an Iowa DNR non-resident user permit sticker. There must be a reflective slow-moving vehicle sign displayed on the rear of the vehicle. The required functional equipment includes but not limited to: horn, mirrors, headlight(s), tail light(s), and brake lights.

Use state 2-lane or county highways only on the most direct, accessible route to an ATV/UTV/ORV park or trail, the nearest county road, an authorized city street, or your residence. You can only cross multi-lane highways at intersections from approved roads.

If you have any questions on the Iowa laws for ATV/ UTV use, you can refer to Iowa code section 321I and 321.234A or contact law enforcement or the Iowa DNR.
