Lake Park Rescue

The members of the Lake Park Rescue would like to express a heartfelt thank you to everyone who attended our first annual spaghetti fundraiser and/or made a donation. It was a great success and your support is greatly appreciated. We strive to always provide the best possible care to our neighbors.

WINTER REMINDERS

Dumping of Snow—It is unlawful for any person to throw, push, place, or cause to be thrown, pushed, or placed, any ice or snow from **private property, sidewalks, or driveways** onto the traveled way of a street or alley.

Garbage and Recycle containers need to be off the road to avoid being hit by a snowplow. Containers SHOULD NOT be left at the roadside but taken back to your house when emptied.

Parking Snow Ban—Between Nov 1st and Mar. 31st no vehicle shall be left standing or parked on city streets between the hours of 2:00am and 6:00am or any time during the day or night in which snow removal operations are in progress.

Utility Tips

Install carbon monoxide alarms and carefully follow the mfg. directions for operation, placement, and maintenance. **Keep your family safe! Get a CO detector installed**

Do you smell the odor of rotten eggs, hear hissing or whistling sounds around gas appliances or meter? These may be signs of a natural gas leak. Contact LPMU 712-832-3667.

Be sure to check if your furnace filter needs replacement. Stop in the utility office to pick up your replacement filters. Limited sizes available. Limit 2 per year.
