Chief Carpenter's Corner

While the city's snow ordinance is still in effect until March 31st, there are some other violations I would like to address when parking a vehicle:

- On the street, park **with** the flow of traffic.
- When parking a vehicle in a driveway, make sure the entire vehicle is in the drive and completely out of the roadway.
- Within 20 feet on either side of a mailbox.
- Within an intersection, or within 10 feet of an intersection of any street or alley.
- Within 10 feet of any traffic control device (stop sign, yield sign)
- Within 5 feet of a fire hydrant.
- No trailer is to be parked on a city street unless attached to a vehicle.
