Utility News

Add a "PS" to help a neighbor

Some of your less fortunate neighbors have had a difficult time keeping their utility bills current. You can help through Project Share, which is a plan created to help needy households pay a portion of their utility bills. To participate, simply fill out the coupon and return it to Lake Park Municipal Utilities.

Chief Carpenter's Corner

It's that time of year when the weather is getting nice and our furry canine friends like to go running amuck looking for adventures. If a dog is found at large, the Police Department will do its best to try to locate its owner(s). If we are unable to find its home, it will be transported to the Humane Society of Northwest Iowa in Milford. If impounded, there will be a $50.00 law enforcement impound fee as well as any other charges accrued during their stay at the shelter. To get them out of puppy jail, the Humane Society will require proof of ownership as well as documentation of vaccination history (rabies and distemper). They have a website, humansocietyofnwia.com, as well as a Facebook page.

City of Lake Park Code of Ordinance 55.13 AT LARGE: IMPOUNDMENT. *Animals found at large in violation of this chapter shall be seized and impounded, or at the discretion of the peace officer, the owner may be served a summons to appear before a proper court to answer charges made thereunder.*
