
It is Summer Reading Program time! This year's theme is "Plant a Seed, Read". The program is easy; read books or do fun tasks to win a prize and a brag tag! Kick-off is on June 2nd.

Tuesday, June 2nd – Bubbles in the Park, and Kick-off, 10:30 a.m. at City Park. Watch a giant bubble show, and make your own bubbles at our interactive bubble stations.

Tuesday, June 9th – The Good Egg Story Time, 10:30 a.m. at City Park. Have fun listening to the book "The Good Egg" and make a fun craft with the Iowa State University Dickinson County Extension.

Tuesday, June 16th – Music That Blooms with Kindermusik at the Lakes, 10:30 a.m. at City Park. Singing, dancing and a little music reading.

Tuesday, June 23rd – Curtis Hed – The Magic of Reading Show, 10:30 a.m. at City Park. A fantastic magic show, craft, and story time.

Tuesday, June 30th – The Crop that Pops! 10:30 a.m. at the Harris Community Center. From seed to snack, discover the journey of popcorn.

The Summer Reading Program and the Performances in the Park are free. Everyone is welcome, children must be supervised. Stop by the library to register. In case of inclement weather for the shows in City Park we will be at the Lake Park Public Library, 905 South Market Street on the northwest corner of the Harris-Lake Park Middle School/High School. See the library for complete details.

Recycle Days
June 3 & 17
July 1 & 15
Aug 5 & 19

June 4, 2026
4:30 – 6:30
Lake Park Methodist Church

JUNE 5 & 6

JUNE 21

Chief Carpenter's Corner

With summer right around the corner and more kids riding their bikes around town, I wanted to make residents aware of some little-known facts about bicycles.

The State of Iowa requires that all bicycles be equipped with a white lamp on the front and a red lamp on the rear. A red reflector may be used on the rear in lieu of a lamp. (*Iowa code section 321.397*).

Everyone riding a bicycle on a roadway must follow the same laws of road as the driver of a motor vehicle. This includes stopping for stop signs, yielding at a yield sign and staying within the posted speed limits.

E-bikes must follow the same guidelines as stated above.

Stay safe this summer!
