The Park Renovation Project has started construction. We ask that you be cautious in those areas and make adjustments to avoid them as much as possible. This not only keeps everyone safe it also aids the construction crew. Thank you for your understanding and patience.

Chief Carpenter's Corner

This month I wanted to touch on the City's ordinance on golf carts. All golf carts traveling on city streets need to be equipped with a slow-moving vehicle sign **and** a bicycle safety flag that is a minimum of 5 feet off the ground and has to be above the canopy. You must be 16 years of age and have a valid driver's license to operate a golf cart on city streets. You also cannot operate a golf cart on a city street that is a primary road extension through the city, which would be Market Street. No golf cart should exceed 25mph and all occupants must be seated. No riding on the back of a golf cart or on the lap of another occupant.

As per State of Iowa code, golf carts are only allowed to operate on city streets between sunrise and sunset.
