IGL TeleConnect

IGL TeleConnect proudly announces plans to install fiber technology in Lake Park, Iowa. The installation of fiber within the city limits of Lake Park will offer residents a faster and more reliable internet.

“Providing affordable internet to rural communities has always been the heart of our mission. Lake Park is really where we got our start, so we are very proud and find it fitting to be able to offer even faster, more reliable internet to the community of Lake Park.” said Josh Nelson, CEO.

Current Lake Park customer’s internet will not be affected during construction, but when construction is complete, customers will be required to choose a new fiber package as IGL’s current fixed wireless service will no longer be offered within the city of Lake Park.

IGL TeleConnect asks interested area residents to call the customer service line at 1-800-281-1072 or go to www.iglteleconnect.com/LakeParkFiber to learn more.

TIPS FOR AVOIDING A NUISANCE ABATEMENT/FINE

The city has ordinances that will be strongly enforced in the spring, summer, and fall. Most of these address property maintenances or being respectful towards your neighbor. Following are a few tips that will keep you from receiving a “notice” from the city.

- ❖ If there is “junk” laying in your yard. Get rid of it.
- ❖ Do you have a **vehicle** that is unlicensed, does not run, or has not moved in 30 days? Either put it in enclosed storage or haul it away.
- ❖ Is it the **1st** or the **15th** of the month and your grass is **10”** tall? Better consider getting the mower out.
- ❖ While you have the mower out, **DO NOT** throw the grass into the street.
- ❖ Do you have a dog? Better not be in your neighbor’s or running freely all over town. Could mean a trip to the pound and a 50-dollar bill.
- ❖ Did your dog poo in someone’s yard? Your dog, your poo, clean it up! Oh, and don’t forget the constant barking ...also your responsibility.
- ❖ Have chickens? Your limit is 6 hens and **NO** roosters. Make sure they wander only in their pen..not yards.
- ❖ Wanting to burn some yard waste? Check the calendar. Even numbered days north of Railroad St. and odd numbered days south of Railroad St.
