REMINDER

Although it has been quite warm and dry, which has limited the need for lawn mowing, the weeds around your property still need to be kept under the 10” requirement. This includes curbs, sidewalk, house foundation, trees, poles, etc.

POOL

The pool has been able to enjoy a very busy season this year. The warm weather makes the pool a great place to hang out. On average the daily attendance has been about 75-80. This year there was also about 80 children enrolled in public swimming lessons. The last day for the pool will be August 15. The city would like to **thank the staff** for consistently providing a safe and enjoyable atmosphere for the patrons. **Thank you** to all of you for supporting our pool and we look forward to seeing you all again next season.
