POOL NEWS

It has been another successful season at the pool. The weather seemed to cooperate quite well this year. On average the daily attendance has been about 60-70 patrons daily. There were also 40 children enrolled in public swimming lessons along with 80-100 additional children receiving private lessons.. The last day for the pool will likely be mid Aug. The City would like to extend a big **THANK YOU** to the pool staff for consistently providing a safe and enjoyable atmosphere for the patrons. Thank You to all of you for supporting our pool and we look forward to seeing you next season
