

Utility Tips

- ❖ Check landscape irrigation systems before using it in the spring to make sure no damage occurred from frost or freezing.
- ❖ Be sure to call in a locate before planting trees. This will prevent you from planting over a utility line which could cause utility issues in the future.
- ❖ Do not tamper with any utility equipment attached to your home, meters, electric lines, pipe, etc. if you have questions or concerns please call 832-3667.

Library News

Did you know your library offers:

- Movies on DVD
- Jigsaw puzzles
- Computers to use at the library
- Specialty cake pans

See you at the library!

Tips for Avoiding a Nuisance Abatement/Fine

The city has ordinances that will be strongly enforced in the spring, summer and fall. Most of these address property maintenances and the simple act of being respectful towards your neighbor. Your home is your biggest asset. Take care of it!! Following are a few tips that will keep you from receiving a “notice” from the city.

- ❖ If there is “**junk**” laying in your yard. Get rid of it.
- ❖ Do you have a **vehicle** that is unlicensed, does not run, or has not moved for 30 days? Either put it in enclosed storage or haul it away.
- ❖ Is it the **1st** of the **15th** of the month and your grass is **10”** tall? Better consider getting the mower out.
- ❖ While you are mowing, **DO NOT** throw the grass in the street.
- ❖ Do you have a dog? Better not be in the neighbor’s yard or running freely all over town. Could earn a trip to the pound and a \$50 dollar bill.
- ❖ Did your dog poo in someone’s yard? Your dog, your poo, clean it up? Oh and don’t forget the constant barking...also your responsibility.
- ❖ Have chickens? Your limit is 6 hens and **NO** roosters. Be sure they wander in their pen, **NOT** in the neighboring yards.
- ❖ Wanting to burn some yard waste. Check the calendar. Even numbered days north of Railroad St. and odd numbered days south of Railroad St.

Recycle Days May 2 & 16
June 5 & 19
July 3 & 17

4:30 – 6:30

First Presbyterian Church

**Tues. & Fri.
Garbage Pick-up
Starts May 7**

May 12th

May 27th

M27/Market St.

Construction could begin as early as the first part of June. We do not have an actual start date yet. We will do our best to get detours and work schedule out when we have the information available.

Little League Fields

Little League season has begun. The fields have been known to be an area where residents are running their dogs. Unfortunately some residents have not taken the time to clean up after their pets. These young players should be able to spend their time learning and playing softball and baseball, not watching the ground to ensure they do not step in dog poo.

Request

With the winds that we have had, please keep an eye on your garbage. Be sure lids are closed on containers and dumpsters. We can each do our part to keep the garbage from taking flight!
