JUNE 1

June 16th

M27/Market St.

Construction is scheduled to begin June 10 on M27. The detour route will use 140th Ave and Railroad St. to get to main street. You will need to use 140th Ave and 140th St. to get to the baseball and little league fields, going through the school parking lot. You will have to take 140th Ave and Railroad to access anything west of Market St (mainstreet). Though none of us like detours or the congested way to get where we want to be...the road is going to be so nice when it is completed. Thank you for your patience!!
