MAIN STREET FLOWER POTS

It is the time of year to put the main street flowerpots up for adoption. There are 8 flowerpots located on the corners of main street. By adopting one of these pots, you will be responsible for not only the planting but also for its care. Plants are to be live plants, not artificial. Thru adoption, we hope each pot will have its own uniqueness and bring a colorful and welcoming sight to main street. Do not miss this chance to share your creativity, call to "adopt a pot" **832-3527** or **832-3667**.
